Special Note Regarding Suspensions

Any Walton Academy & The Pathways Program student who is suspended or expelled from school and school functions shall be prohibited from entering upon the premises or grounds of Walton Academy & The Pathways Program during the school day or when a school activity is being held.

The components of this plan are in compliance with current statute and policy. Nothing in the plan shall prohibit school staff in consultation with the principal to modify the contents. All infractions, regardless of how minor, will be documented. All components of the discipline plan are applicable to exceptional education students and 504 students based on accommodations and or modifications made to individual IEPs.

Students should be removed from the school environment immediately following an out-of-school and/or bus suspension. Under extenuating circumstances, students may be allowed to remain at school through the end of the day with the following understanding:

- Students will not be sent back to the class where the referral originated.

- Students will be sent to the in-school suspension room for the remainder of the day.
- Students are expected to comply with the Code of Student Conduct for the remainder of the day.
- Any further disruptive actions will result in an increase in the number of days suspended.

Attendance and Supervision

School Hours:

School begins at 7:30 AM and ends at 1:45 PM. Students are expected to attend classes each day that school is in session unless they have a *documented* excused absence for one of the following reasons:

- illness or medical care
- death in the family
- legal requirements
- religious holiday
- absences pre-approved by a school administrator
- insurmountable conditions

The accumulation of five (5) unexcused absences will result in a mandatory attendance conference with the parent/guardian and student. The student will also be placed on an attendance contract. Unexcused absences will result in the student receiving a grade of "0" in that class for that day.

While telephone notification of an absence is appreciated, written documentation must still be submitted to office staff.

Florida law requires each parent of a child from ages 5 to 16 to be responsible for the child's school attendance. The continued absences of a child from school will be considered a violation of this law. If a student is under a court order and placed with the Department of Juvenile Justice, then his or her probation officer or agency contact person(s) will be notified of the absences.

Tardy Policy:

Students who are deemed late (10 minutes after the tardy bell has rung) will be assessed an unexcused absence.

The parent/guardian of the student will call by 9:00 am if the student is going to be absent/late.

Personal Electronic Devices and Cell Phone Policy:

Bringing personal electronic devices and cell phones to school is strongly discouraged due to the high risk of theft and loss. **The school will not be responsible for loss or theft of such devices.** Students may bring these devices to school; however, these items must be turned into their homeroom teacher's electronic box at the beginning of the day during security check-in procedures. Students will receive their electronic device by their teacher upon leaving their 7th period class at the end of the day. The use and/or possession of any electronic device in the class will result in a disciplinary consequence. The electronic device will be confiscated and may only be returned to the parents/guardians. If an electronic device is taken from an adult student, he/she can pick it up in two weeks from the date taken or by their parent/guardian.

Parking:

Students must park in the designated parking area and vehicles can be searched by personnel at any time. Students will be required to submit a completed vehicle registration form, valid driver's license, proof of insurance, and a \$5 fee for a parking permit. Students cannot leave campus during lunch. Administration reserves the right to revoke student privileges at any time.

Failure to comply with the terms of this contract may result in a discipline hearing and possible withdrawal of their invitation to attend Walton Academy and The Pathways Program.

Bus Rules of Conduct for Students

The rules of conduct for students on buses designated for Walton Academy & The Pathways Program students are absolutely essential. The rules are set in place with students' safety as priority. In an effort to ensure that students are transported safely, parents are encouraged to explain the bus rules and procedures to their children. Students who are educated about proper bus behavior make the trip to and from school a safe one. Students shall obey the following rules at all times:

1.	Stand off the roadway while waiting for the bus.
2.	When crossing the roadway, be sure that the road is clear of traffic in both directions. Do not depend entirely on the bus arm to control traffic; careless drivers occasionally run through the stop area.
3.	Students must obey the driver at all times.
4.	Students will remain in their seats at all times.
5.	Quiet conversation or classroom conduct is to be observed at all times while on the bus. Use of foul language or racial slurs is not permitted. Do not talk to or distract the driver; the driver must focus attention on the road at all times.
6.	Keep hands, feet, arms, and head to yourself and inside windows at all times.
7.	Passengers must not throw waste paper or other rubbish on the floor or otherwise litter, mark, deface, or damage any part of the bus. Do not throw any objects from the bus. Parents will be charged for any damages caused by their child. Students may also be suspended from riding the bus.
8.	No eating, drinking, or smoking is permitted on the bus at any time.
9.	Students must report to the bus stop in a timely manner. The bus cannot wait for those who are tardy.

10.	The emergency exit must not be tampered with and must not be used for ordinary boarding and exiting.
11.	No animals will be allowed on the bus.
12.	Small objects such as bottles that could get underfoot and cause the passengers to trip or fall will not be permitted on the bus.

Bus Notes:

Students who wish to ride an alternate bus, must provide written documentation from parent/guardian. This note must contain the parent/guardian's name and phone number, name of student, name of student that he/she will be riding the bus with and the reason for the change. An administrator will contact the parent/guardian to confirm this authorization prior to the student leaving school. If we are unable to contact the parent/guardian to authorize transportation changes, the student must continue with initial documented transportation arrangements. Notes should be submitted to the main office prior to lunch for approval. There will be no exceptions to these rules!
